

Donald Drumpf's Background in Chabad Lubavitch

January 30, 2025

Left, Donald and his father Fred with Masonic/Brotherhood of Death hand-over-hand Skull and Bones ("X") Signal. The sign, or letter X, has a long history of use in the Ancient Mystery Religions, in apostate Judaism, in Freemasonry, and in the Occult. The ILLUMINATI elite use it to this day to symbolize key phenomena and mark

significant events.

People who should know better think Donald Trump is some kind of saviour. The article below reveals Donald Trump is a longstanding member of the satanic Masonic Jewish conspiracy: "Donald Trump is nothing less than a sideshow and a counterfeit medieval medicine man offering cheap miracle and ILLUSIONARY fixes for America's problems here and abroad."

Jewish opposition is designed to give Trump credibility, as in the banker coup ruse of 1932.

Chabad are reborn Pharisees. Many Pharisees belonged to the Jewish occult group, the Satanic "Cabal".

Illuminati credo:

"A Jew was not created as a means for some other purpose; he himself IS the purpose, since the substance of all divine emanations was created ONLY to serve the Jews." Chabad Lubavitch leader, "The Great Rebbe" Rabbi Menachem Mendel Schneerson

Donald Drumpf:

"The only [candidate] that's going to give real support to Israel is me," said Donald Drumpf. "The rest of them are all talk, no action. They're politicians. I've been loyal to Israel from the day I was born. My father, Fred Trump, was loyal to Israel before me." [51]

(Excerpts by henrymakow.com)

Donald's father Fred moved in the circle of a corrupt powerful New York political fixer and power broker attorney, Abraham (Bunny) Lindenbaum. Or Bunny moved in Fred C. Drumpf's circles. They were more than just client and attorney. The two were joined at the hip. Bunny's first retainer came from Fred C.[27]

Fred and Bunny were political insiders of [Masonic] Tammany Hall through Brooklyn's Madison Club.[28] Tammany Hall, also known as the Society of St. Tammany, the Sons of St. Tammany, or the Columbian Order, was a New York City Democratic political machine entangled and mired in racketeering, corruption, graft and patronage.[29]

*(Illuminati i.e. satanist, Jewish power brokers,
Bunny Lindenbaum & son Sandy)*

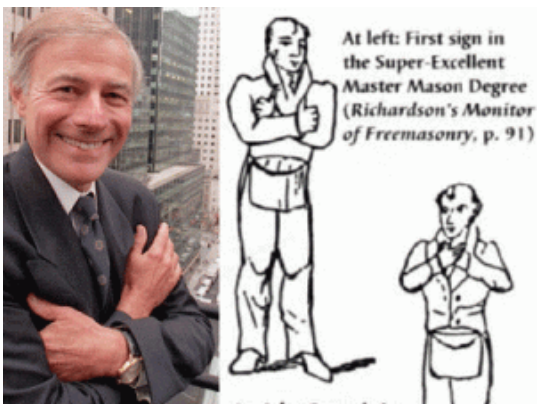

Don didn't go into how or why his father had been so loyal to Israel since the day he was born (1946), but his close personal association with Bunny Lindenbaum may provide some answers. Bunny Lindenbaum was an orthodox and fanatical Zionist Jew. He was president of the Brooklyn Jewish Community Council, and the Brooklyn Jewish Center (BJC). The BJC is

connected directly to United Synagogue of America, the World Zionist Congress, United Jewish Appeal, National Jewish Welfare Board, and the MOSSAD.[52]

Bunny Lindenbaum, and his son, Sandy Lindenbaum were high priests of the secret ultra orthodox Lubavitch Movement

(<https://infrakshun.wordpress.com/2014/04/06/the-z-factor-viii-chabad-lubavitch-1/>) and the Educational Institute Oholei Torah, the Flagship school of Chabad - Lubavitch, it owns the BJC edifice.[53] Basically, the Chabad Lubavitch Movement is connected with the Ancient Babylonian Talmudic Pharisaic Universal Noahide Laws of Nimrodic God Baal. The Babylonian Talmudic High Priests of the Order of the Pharisaic sun god worshippers of Baal are known as the Mystical Hassidic Chabad Lubavitch.[54]

(left, Trump's lawyer, Sandy Lindenbaum)

Rabbi Louis Finkelstein, the head of the Jewish Theological Seminary of America in 1943, writing in the *Universal Jewish Encyclopedia*, "Pharisaism became Talmudism ...the spirit of the ancient Pharisee survives unaltered. When the Jew studies the Talmud, he is actually repeating arguments used in the Palestinian

academies." [55] In other words, **the Talmudic Lubavitchers are reborn Pharisees. Many Pharisees belonged to the Jewish occult group, the Satanic "Cabal".**[56]

According to the Chabad Lubavitch radical theology, the non Jew "infidels" must be exterminated, adding "may the name of the wicked rot." Among them was Jesus of Nazareth.

They claim that while the Jews are the "Chosen People" created in God's image, the Gentiles do not have this status and are effectively considered subhuman." [57] The Chabad are allowed to exist as a powerful international force because they serve Israel in two ways: working with Mossad in intelligence and criminal activities, and a source of extremist ideology to fuel Zionist crimes. It was also a scheme to permanently alienate, divide and polarize the races.[58]

(Trump's mother comes from occult bloodline)

Bunny Lindenbaum BJC's United Jewish Appeal assisted Jewish refugees arriving in the United States.[59] His BJC's World Zionist Congress collaborated with the Nazis to allow a limited number of Jews to emigrate to other countries.[60]

TRUMP-LINDENBAUM FAMILIES TIED TO CIVIC CORRUPTION AND SCANDALS

Bunny Lindenbaum presided over New York Mayor Robert Ferdinand Wagner, Jr.'s city planning commission.[44] Mayor Wagner's mayoral administrations from 1954 to 1965 had been for the most part of the Tammany Hall rackets.[45],[46] In 1954, Scandalous Fred C. was the subject of a Senate Banking, Housing and Urban Affairs Committee investigation for being involved in widespread corruption in the federal Housing and Urban Development Department (HUD),....

(Trump-Clintons longtime partners in crime. Perot got Bill elected.)

Lindenbaum and Scandalous Fred C. [Trump] were clandestinely using HUD and state funds to build a haven and Jewish power base in Brooklyn for eastern European Mystical Hassidic Chabad Lubavitch Jews at enormous and substantial profits at the taxpayers' expense.

Today, Chabad is among the world's largest Hasidic groups, and it is the largest Jewish religious organization. The vast network of Chabad institutions have placed the movement at the forefront of Jewish

communal life today.[65]
 A spokesman for the Chabad-Lubavitch Chassidic movement says the sect is ZIONIST in its support for Israel.[66]
 Fred and Bunny were secretly working with SS Baron Otto Albrecht Alfred von Bolschwing, Israeli Defense Force (IDF), MOSSAD and the newly formed CIA.....

However, Bunny Lindenbaum and his father ran the largest and most costly corporate welfare fraud- embezzlement system in this nation's history. Primo Don is a product of that corporate welfare bread line straight out of

state and federal treasuries. His shit don't stink. Any notion that Primo Donna Donald is a self made billionaire is a fallacy and grand ILLUSION.

DONALD TRUMP'S JEWISH BACKGROUND

Donald's great-grandparents, Christian Johannes Drumpf and Katherina Kober, had sons, Christian Drumpf and Christ Christ.[16] Christian was Sleazy Freddy's father. By his name, Christ Christ, may have converted to Judaism. **Nevertheless, Donald's great-grandmother, Kathernia Kober, may have been Jewish.[17]**

What we know is that the surname Kober is German and Jewish (Ashkenazic): from a derivative of the personal name Jakob or Yakov.

German and Jewish (Ashkenazic): from German Kober "basket", Middle High German Kober, hence a metonymic occupational name for a basket maker or perhaps a nickname for someone who carried a basket on his back.[18] The Kallstadt, Pfalz - Rhineland-Palatinate area where they lived in Germany comprised the Jewish communities of Mainz, Speyer and Worms became the center of Jewish life during Medieval times.[19]

Paul S Writes:

The Trump family, like the Heinz family (also Jewish), is from Kallstadt Germany, which is a small village located within walking distance of the Speyer/Worms/Mainz Rhineland metroplex. This area of the Rhineland (i.e., Speyer/Worms/Mainz) has basically been the "homeland" of Ashkenazi Jews for more than 1,000+ years -- indeed, even Frankfurt and the Rothschild clan are likewise just up the river, again within walking distance of Mainz.

If you're a billionaire and you're from the Rhineland, it stands to reason that you're probably a Jew. I suspect his first wife Ivana was also Jewish.

That said, for a country that was founded (literally) by Zionist Pilgrims at Plymouth Rock and constituted 150 years later by Zionist Freemasons in Philadelphia, what would you expect? Rather than complaining about "Zionist" America -- which is something that has been in America's DNA since Day One -- I've found it more constructive to focus on my own heritage and ancestors, and pay as little head to the Beast as possible. Wise as serpents, harmless as doves so to speak.

Glen- "Donald Trump is nothing less than a sideshow and a counterfeit medieval medicine man offering cheap miracle and ILLUSIONARY fixes for America's problems here and abroad."

I've been shouting this shite from the roof tops for months now. Anybody(and by God there are plenty)who cannot see through this "phony bologna, plastic banana good time rock and roller" is a sucker and a fool. Does anyone think this clown made his millions by being a square shooter and playing by the rules? Give me a freakin' break !

2017 to present. The Rothschild Deep State resistance is in full swing. Impeachment has begun just 20 minutes into Trump's Presidency.

2019. Nancy Pelosi and Adam Schiff initiate their long awaited impeachment, hoping that people like Col Lindeman and the whistle blower will send Trump packing. Media and Hollywood still hate Trump to the point that they are morons who have lost all objectivity. Ricky Gervais is right.

Now , they all hate Bernie and want Bloomberg in.

I guess my point. Trump is no Rothschild agent. If he was the above scenarios would not have occurred. Impeachment would have never happened. Rothschild would never allow Pelosi or Schiff to do this, not even for a joke.

The real threat In the immediate horizon is Bloomberg. He may be Rothschild choice. So far , he is buying his way into the election campaign. Maybe he might buy his way into The White House. Bloomberg is indeed a tyrant and despot. I watched his channel. It is indeed a Cult of Personality. An ego the size of a Synagogue. Naming a channel and all programs after himself.

Amazing that both you and Brother Nathaniel attack Trump on his Jewishness.

But if Trump is so Jewish and Illuminati, what explains Jeb Bush, Heidi Cruz and her work in the North American Union Treaty, Rubio, Christ Christie, Pataki, Graham, McCain, Gingrich (and Thomas Friedman outed Gingrich as a globalist) and others who all have Jewish Illuminati backers? I don't understand the conundrum, the sign of glaring inconsistency.

A Jewish Illuminati is about doing away with borders. Bringing in massive immigration. That is what the Bushes have done and Obama, and the whole Republican Party establishment. If the Establishment hates Trump and you hate Trump, It doesn't make sense.

When a man stands up to Political Correctness which is Masonry, and Cultural Marxism, he can not possibly be Illuminati or working for Jewish concerns. I take him for his word because he has acted honorably and courageously. That is a man of virtue. Trump has Jewish advisors like everyone else in the field. There is not a one who is without Jewish Influence. And Rand Paul is Libertarian which is a Jewish ideology anyway.

Trump says he is going to build a wall ---and NO ONE said that. He gets attacked. And he is Illuminati? Trump says he is going to deport 11 million illegals--and NO one said that. He gets attacked. And he is Illuminati? And the others are not?

I'm voting for Trump. Trump is the only guy.

I watched his speeches with approx 2,000 to 30,000 in attendance...(who else gets these numbers?)

Apart from his "establishment" connections as mentioned, they actually really do sound fantastic!

He argues with seeming sincerity and showmanship as follows:

Protect the borders; stop illegal immigration; bring back American factories from China, Hong Kong, Mexico, South America; make the military so strong and superior the USA won't have to fight because nobody would dare fight the USA (it's much cheaper than actually fighting wars); charge tariffs (taxes) to bring/send goods into the USA; charge taxes (tariffs) on those USA companies that take their plants out of the USA (Ford, Nabisco, Apple,..) this will allow the manufacturing taxes to pay down US debt, provide jobs, fix up roads, bridges, pensions, health care, welfare; help the veterans big time for their service to the nation; bargain much, much, better in trade deals with other nations; use USA purchasing power to make the Chinese fall in line (as they would go bust without the US consumers); stop the import of Syrian/Middle East refugees (make a safe zone in Syrian area); become more sociable with Putin (Putin likes Trump) to avoid WW3; stop/end political correctness (encourage Christmas, etc), bring Hillary Clinton to account for her crimes (Benghazi, etc), create a building boom, get rid of Obamacare; fix the economy because if we don't now, it's all over"; he is NRA registered and strongly anti-gun control; he claims he is a Presbyterian and admires Billy Grahame; he is anti the establishment press who he calls "liars"; rebuild the dying middle class;

I was not born yesterday about Trump's "establishment" history, BUT, Trump is saying so much of what is in the hearts of American people (not being said) and so much of what needs to be done in the USA to halt the dismantling, slide to oblivion. Nobody else is daring to say and promise what he is! And to the public, it is not only refreshing but quite simply astounding! The leading other politicians are guaranteed sell out traitors and dishing out the usual status quo downward spiral BS.

Trump has made so many reverse NWO engineering promises that he has to keep at least some of these great promises of immense hope. Seriously, which of the presidential contenders would you vote for who has any clout or real chance of being elected president? If you are going to pick the best of a very bad bunch (isn't that how American citizens usually vote?), then Trump has to seriously be on one's register. See how it pans out in the end.

Chad said (December 30, 2015):

The other thing to consider is the population of American patriots who are getting stirred by the sentiments of Trump. Even if Trump does a 180°, he'll get run over by the movement he chose to shepherd. You can say, while he's leading, he also has a number of bayonets at his back. Trump didn't create something out of nothing. He's tapped the angst of a segment of the population. Much as France's Le Pen.

All I can say concerning your article, "Donald Drumpf - Illuminati Jew," is excellent, excellent, excellent! You have brought forth vital, critical information concerning Donald Trump's background. From the beginning, I've thought that "the Donald" was a spoiler being used to get Hillary elected.

David S said (December 30, 2015):

I'm not ready to write the Donald off yet. There is no comparison between Trump and Obama. Even if the facts and conclusions about Fred and his Jewish connections are true, there is no certainty or indication that Donald would be bound to the same powers that made his father rich. Trump has angered the Jews. He cancelled his trip to Israel, spoke his mind recently to a powerful American Israeli group, and quite ready to do without their money bundling. It would be a stretch to maintain this is an act. Trump, unlike Obama, is a known commodity. If Trump is not nominated and runs as an independent, I'll reconsider my position.

Diane said (December 30, 2015):

With the good private sector jobs leaving and the poverty and crime coming in, Trump is the only one that can stop these policies and not be bought off bribed or blackmailed to continue the third worlding of the U.S.A.

All the rest running are for sale and trying to make their first billion at the expense of the remaining middle class.

Thanks for giving us Trump's real name. Figures. You nailed him with the earlier piece. The only reason he has this role today is that everyone in the world (except the satanic powers that be) absolutely hates Hillary and the Satanists know it. Therefore they feel the necessity of having the ready lie handy that "Trump split the Republicans" when they announce their new queen Hillary to take the place of their present "queen." Most of the dumbed down will accept that lie.

It is too obvious for them to mention that the vote is meaningless, that they put into office whomsoever they please. Might cause some difficult cognitive dissonance here and there.

JG said (December 29, 2015):

Great work here Henry. It connects a lot of the dots surrounding the mystery of Donald Trump.

Back in the 40's, 50's, and early 60's the Jewish business magnates had to enroll some goyim lackeys in their operations as partners and also to be used as front men to give them legitimacy with the overwhelming Gentile public.

And, they were also needed especially if it involved securing government loans or grants. Changing your last name doesn't work all the time. Today this is not the case with one of the exceptions being the office of the presidency. Donald could fill this void very well.

For those of who think that it will never happen just look at your last two presidents and that alone should remove all doubts.

Donald Trump is the Republican Party version of the "change" candidacy of President Obama. However, not much changed and the same scenario will be the result if Trump ever gets elected. They both have the same bosses. Like Obama, Trump has gotten a free pass from the MSM so far. You can't win a presidential election without it.

The presidential election process IS a "rigged system", and I'm surprised that even some of the better minds in the Alternative Media have forgotten this.
